

How To Change Your NLMD-LT Login Details

To change your NLMD-LT email address or password you must log into the NLMD-LT web site.

After logging into to NLMD-LT, under the “My Details” menu option, select “Manage Account”.

This will open the account management page, from the top select the “Email / Password” tab.

Change Email Address

In the email address section, click the “Change” button then enter your new email address.

The screenshot shows the 'Email / Password' tab selected. It contains a heading 'Email Address' and a description: 'This tab allows you to change your email address and...'. There are three input fields: 'Email' (containing 'producer1@nlmd.co.uk'), 'New email*', and 'Confirm new email*'. At the bottom, there are two buttons: 'Change Email' and 'Cancel'.

Then click the “Change Email” button to complete the process.

In future when you login to NLMD-LT you will need to use this new email address.

Change Password

In the change password selection, enter your existing password, and then enter your new password twice. The new password needs to be at least 8 characters long containing letters and at least one digit.

Then click the “Change Password” button to complete the process.

The screenshot shows the 'Change Password' form. It has a heading 'Change Password' and a description: 'To change your password enter your existing and new password letters and at least one digit.' There are three input fields: 'Old password*', 'New password*', and 'Confirm new password*'. The 'New password*' field has a green question mark icon to its right.
