

How To Send movements, tag applications and deaths to Scot EID

NLMD-LT can send movements, tag applications and deaths to the Scottish Sheep EID Research Pilot (Scot EID), saving you from having to record data twice.

Configuring Scot EID

Before NLMD-LT can send data to Scot EID, you need to enter your Scot EID username and password and select which holdings you want to send data for.

To setup Scot EID, select from the main menu, “Manage Holdings” > “Scot EID” > “Configure”

Click the “Add New” button to add a Scot EID subscription for a holding or click “Edit” to modify an existing subscription.

The screenshot shows a configuration wizard with three tabs: 'OPTIONS', 'HOLDINGS', and 'COMPLETE'. The 'OPTIONS' tab is active. It contains three sections:

- ScotEID Login Details:** Two input fields for 'Username*' and 'Password*'.
- What Should be Sent:** A heading followed by the instruction 'Select the types of data you want NLMD-LT to send to ScotEID using the login details above:'. Below this are three checked checkboxes: 'ScotEID Movement', 'ScotEID Tagged', and 'ScotEID On Farm Death'.
- Notification Options:** A checked checkbox for 'Send me an notification email if an error is reported'.

 At the bottom of the form are 'Cancel' and 'Next' buttons.

On the first page of the wizard, enter your Scot EID username and password and select which types of data you want to send (tagged, movements and deaths).

Click the “Next” button.

On the second page of the wizard you need to select one or more holdings to submitted data for using the authentication details entered on the previous page.

Select the Holding CPH from the drop down list. If you cannot find a holding CPH within the drop down list, use the add holding page (Manage Holdings > Add Holding).

To add a second holding, click the “Add Another Primary Holding” button. Otherwise once complete click the “Finished” button to save the subscription.

Sending Data to Scot EID

Once configured, next time when you record a movement, tag application or death a message will appear asking if you want to send data to Scot EID now, later or never.

If you select “Not Now”, NLMD-LT will remind you next time you login to the website or you can trigger it to send by selecting from the main menu Manage

Holdings > Scot EID > Send / Review Results. If “Leave, Never Send” is clicked NLMD-LT will not send it Scot EID and will not remind you again.

To send the event to Scot EID, click “Review & Send” and a page will appear previewing what is about to be sent. Click “Send Now” to begin the send.

Scot EID typically takes around a minute to process your request, If you don’t want to wait for the result or its taking longer than 2 minutes for Scot EID to process it you can check the result later by selecting from the main menu Manage Holdings > Scot EID > Send / Review Results. NLMD-LT will warning you next time you login if there are any errors and you can also configure it to send you an notification email.

Reviewing Result

To check the result of requests you sent to Scot EID, select from the main menu Manage Holdings > Scot EID > Send / Review Results.

The **Pending** tab shows request waiting to be send to Scot EID or are currently being processed. You can either select to send them now or newer send.

Pending (0) UnResolved (1) History

UnResolved

Below are NLMD-LT requests that failed or errors were reported when they were sent to ScotEID. Click the **Resolve** button to view the errors and correct them.

ScotEID Movement
Request ID: 125 **Request Type:** Movement / Transfer **Request Date:** 17/10/2012 Retry Send Leave, Never Send

Status: X Failed to send **Lot Reference:**

From Holding CPH: 01/001/0003 **To Holding CPH:** 01/001/0001 **Direction:** On **Date:** 17/10/2012 **Animals:** 3

Error Code	Error Field	Error Message
ScotEID		Invalid ScotEID username and/or password

Details

- 0826012345500001
- 0826012345500002
- 0826012345500003

If you get the error "Invalid ScotEID username and/or password". This usually means you entered incorrect Scot EID login details. To correct this go to the Scot EID configuration page (Manage Holdings > Scot EID > Configure) and select to Edit your subscription and enter the correct username and password. Then return to the Send / Review Results page and click the relevant "Retry Send" button.

The **History** tab show all request that were successful or had errors but have been resolved.
